SAN FRANCISCO, September 8.—James
J. Jeffries will referee the Britt-Nelson
contest to-morrow at colma. After all
the wrangling and objections that have
been advanced by the Nelson side against
the retired champion, Jeffries still says
he' will act as referee. This is almost
the only saving feature of the situation

he will act as referee. This is almost the only saving feature of the situation to-day.

The developments of the past twenty-four hours have served to strengthen the growing opinion that all was not right in the understanding between the boxers. The declaration of Nolan, mayager for Nelson, late last night, that, there was no side bet of \$10,000 and that the boxers have a secret agreement to split the purse, winner to take sixty and the loses forty per cent., did not come as a surprise to the general public, but has served to stem the enthusiasm to some extent. There is a sentiment small, but growing, that once moff with public of San Francisco and of California, in general, has been taken "in" by the puglilistic promoters, who, in order to ofcate interest in the coming battle, have not delude the public and create an interest in favor of the box office.

"I believe the public wants me," said Jeffries, "and I will be in the ring tomorrow. Both men will get a square deal. That's all I've got to say."

The fight promoters to-day declared that Jeffries would referee and that both Britt and Nelson would be in the ring at 1:30 to-morrow afternoon.
